Subject: Conference call - phased coalfield TMDLs

I hope this email finds you well.

This email is a reminder that we have a conference call scheduled for this **Friday, January 7, 2011 @ 10:00 am** to discuss the four phased coalfield TMDLs. I have reserved conference room 116 of the Buchanan-Smith Building for DMLR staff. Other participants can call **866/842-5779** - you will be asked to enter a conference code number which is **276 523 8100 followed by the # sign**.

I am pleased to announce that DMLR is issuing a notice of intent to award a contract to MapTech, Inc. of Blacksburg, Virginia to complete the phased TMDLs. MapTech will participate on the conference call.

As a very general agenda for the meeting, I offer the following:

1. Introductions (participants)
2. Brief summary of procurement status and TMDLs (DMLR)
3. Targets and deadlines for the TMDLs (EPA)
4. Assessment and initial feedback (MapTech)
5. General discussion (participants)

Allen and Greg - please feel free to edit the agenda as appropriate and to distribute this email to others in your offices who desire to participate.
